

## THE VALUE

Whether you call it a PMO, EPMO, or PfSO, the function that oversees the efficient delivery of organisational portfolio spending and strategy, can make you, or lose you, a lot of money.

By commissioning a PMO audit you can have confidence that your PMO's:

- Governance is sound
- P3 Framework is appropriate
- Stakeholder support is good
- Oversight of P3 risks is strong

## OTHER PMO REVIEW PRODUCTS

- 90 minute PMO practices whiteboard session (*no cost*)
- Detailed PMO audit: ToR, KPIs, resourcing, P3M framework, stakeholder support (2-4 weeks)
- P3M3 maturity reviews (2-8 weeks depending on depth)

## Service Product Sheet

### WHAT IS IT

**An accelerated 5-day PMO audit. Start Monday, report Friday.**

Provides a high-level review of:

- The PMO's fitness-for-purpose
- The PMO's governance, Terms of Reference, & KPIs
- The PMO's use of processes, tools, and training
- PMO stakeholder support

**Includes:**

- 90 minute feedback discussion on the Friday
- Report 1-pager, listing key findings and recommendations

### OUT OF SCOPE

**The Quick Scan PMO Audit review does not include:**

- P3M3 review or scoring
- Detailed audit inspection
- Financial or commercial probity
- Review of specific projects or personnel

### OPTION ADD-ONS

The PMO Audit Quick Scan review is an insightful, high-level look at weaknesses and opportunities in your control of project-portfolio spending. Add-ons that we are happy to discuss include:

- Detailed assessment of your organisation's P3M pain-points
- Review of project-portfolio assurance processes
- A high-level healthcheck-scan of all projects (or subset-of)

### HOW IS IT POSSIBLE?
