

'QUICK SCAN' 5-DAY REVIEW PROJECT QA

Service Product Sheet

WHAT IS IT

An accelerated 5-day Project QA Review. Start Monday, report Friday.

- Rates the project (Red, Amber, or Green) on:
 1. Readiness of project to proceed to it's next stage
 2. Likelihood of overall project success
- Provides second-opinion confidence to Sponsors & Portfolio Governance Committees
- Ideal as a **Gateway®** Review preparation health-check
- Ideal to inform PMO stage-gate decision approvals

Includes:

- 90 minute feedback discussion on the Friday
- Report 1-pager, listing key findings and recommendations

OUT OF SCOPE

The Quick Scan Project QA review does not include:

- Formal presentation to Project Board or Investment Committee
- Assessment of project financial viability or procurement probity
- Detailed analysis of project issues, risks, or PM plans

QUICK SCAN PROJECT REVIEWS ARE ALSO AVAILABLE FOR

- Portfolios & Programmes
- Business Cases (using Treasury's BBC check-lists)
- Project Closure, Benefits, and Post-Implementation Review

HOW IS IT POSSIBLE?

Our Projects QA consultant is one of the world's most experienced Project, Programme, and Portfolio reviewers. Grant Avery, MBA (Distinction), PMP is an internationally-published author and speaker, and a certified & experienced Gateway® major projects reviewer in NZ and Australia. See his profile: <https://www.linkedin.com/in/grantavery/>

THE VALUE

A full project IQA review can take 3 to 5 weeks or longer.

Project waste in the average organisation is high (32% – PMI 2018).

Early intervention with a short sharp QA review can pay high dividends. Reviews at lifecycle stage-gates (tailored to project size and risk) are also a P3M3 maturity requirement.

OTHER PROJECT QA PRODUCTS

- 90 minute project-risks session (no cost)
- Formal IQA Review (Independent Quality Assurance) – 3 weeks
- 'Better Business Cases' reviews (Avery has been assessed by NZ Treasury as 'BBC Expert Reviewer')
- Reviews of Project Plans (Project and/or Change Management)

ABOUT OUTCOME INSIGHTS (O-I)

- O-I is a licensed AXELOS Consulting Partner (ACP)
- MSP® licensed consultant
- MBIE All-of-Govt panel-listed, assurance consulting company
- P3M3® licensed assessor
